

**ANSYS Workbench Class3****Error Report****ERROR NO:**

WB2012-15

**Keywords:**

IMPORTED BODY FORCE DENSITY                      THERMAL CONDITION  
IMPORTED BODY TEMPERATURE

**Description of Error:**

Temperatures applied to a body in a structural analysis, using a Thermal Condition load or an Imported Body Temperature load, will be ignored during the solution process if an Imported Body Force density load is applied on the same body.

**Typical GUI Path(s):**

Insert and define a Thermal Condition load or an Imported Body Temperature load on a body. Insert an Imported Body Force Density load and apply it on the same body.

**Other Comments:****First Incorrect Version:**

Release 14.0
