

ANSYS Workbench Class3**Error Report****ERROR NO:**

WB2013-02

Keywords:

CONTACT TOOL SOLUTION COMBINATION

Description of Error:

Within a Solution Combination environment or Design Assessment environment, Contact Tool results (excluding Contact Status) may be displayed in an incorrect unit system. Only when the Geometry is created in Meters are the Contact Tool results correct. (In this case, the Length Unit detail in "Details of Geometry" must read Meters.)

Typical GUI Path(s):

Solution Combination -> Contact Tool Design Assessment ->
Contact Tool

Other Comments:

Contact Tool results in base environments (like, for example, Static Structural) are not affected.

First Incorrect Version:

Release 14.5

Corrected In:

Release 15.0

Suggested User Action For Running on Uncorrected Version:

None
