

ANSYS Workbench Class3**Error Report****ERROR NO:**

WB2014-07

Keywords:

SHEAR FORCES ANSYS COMPOSITE PREPOST ACP
INTERLAMINAR STRESS

Description of Error:

While importing the solution into ACP the element shear forces and Von Mises stresses are not converted from the solution unit system to the ACP unit system. This causes all dependent post-processing results to be wrong.

Typical GUI Path(s):**Other Comments:****First Incorrect Version:**

Release 15.0

Corrected In:

Release 16.0

Suggested User Action For Running on Uncorrected Version:

Use the same unit system for solution and for ACP postprocessing.
