

Meet our simulation experts

Ask questions about your field

£250 off any IDAC software or service

IDAC is opening its doors to the engineering community free of charge. This is an opportunity for you meet our Computer Aided Engineering (CAE) Simulation experts and ask questions about your specialist fields.

The day will be split into 2 parts, in the morning there will be presentations summarising our company's activities including our software solutions. After lunch there will be a chance to attend one of four specialist breakout sessions where you can pose questions about analysis techniques with respect to your industrial application.

Schedule Overview

Welcome Brief	10.00 - 10.35
IDAC Engineering Analysis Services (Software, Consultancy and Training)	10.35 - 11.00
IDAC Simulation Software Solutions	11.00 - 11.30
Coffee Break	11.30 - 12.00
IDAC Simulation Software Solutions continued including demonstration	12.00 - 12.30
Lunch	12.30 - 13.30
Break Out Sessions:	13:30 - 14:30
FEA (to include Composites, Dynamics, Fatigue & Heat Transfer)	
CFD (to include high and low speed simulations)	
Explicit Dynamics (to include Crash, Explosion & Drop Test)	
Electromagnetics (to include High & Low Frequency)	
Wrap up	14:30 - 15:00
One to One Consultative Sessions	15:00 - 16:00

[Click here to register](#) and please indicate if you wish to receive a one to one with an expert in your field.

All attendees will receive a £250 voucher which is redeemable against IDAC services or software.
